Food Street Bakhty Wala, Gujranwala, Pakistan

PROFESSIONAL SUMMARY

A motivated and enthusiastic IT graduate with a basic understanding of networking, system administration, troubleshooting, and practical experience in GPON deployment and field operations. Passionate about learning new technologies and eager to develop further in IT infrastructure and network management. A quick learner with a keen interest in problem-solving and teamwork.

PROFESSIONAL EXPERIENCE

PTCL — Supervisor, GPON Deployment | January 2026 – Present

- Supervise GPON deployment and coordinate field teams.
- Hybrid field and office role, including GIS mapping and route planning.
- Resolve site complications and coordinate with teams for smooth execution.
- Coordinate route, access, and infrastructure-related issues.
- Monitor site progress and report deployment updates to management.

SKILLS

Configuring Routers & Switches	Networking (LAN, WAN, Wi-Fi, VPN)
Virtualization (Proxmox)	ME Desktop Central
System Administration (Windows & Linux)	Active Directory, DNS
Firewall & Security Management	GPON Deployment Supervision
GIS Mapping & Route Planning	Field Troubleshooting & Site Coordination

EDUCATION

Diploma of Associate Engineering (DAE) in Electrical Engineering | 2022 – 2025

Government College of Technology (GCT), Gujranwala

PROJECTS & EXPERIENCE

- Implemented monitoring solutions using Traefik and Grafana.
- Assisted in setting up small office networks for smooth connectivity.
- Learned and practiced configuring routers and switches in a lab environment.
- Gained hands-on experience in setting up virtual machines using Proxmox.
- Explored basic IT security concepts, including firewall configurations.
- Worked on small IT projects with peers to enhance practical understanding.

PERSONAL STRENGTHS

- Quick Learner & Adaptable
- Strong Problem-Solving Skills
- Passion for IT & Networking
- Team Player with Good Communication Skills
